

Bus Driver

Job Summary

The bus driver will be responsible for transporting school age children to and from the different pick up/drop off schools in our area. They will carefully follow all traffic laws and oversee the children while on the bus. Maintains positive, supportive relationships with staff, children, parents, and regulatory officials. At every center our Bus Drivers will be responsible for other job duties including supervising a classroom and transporting children.

Primary Duties and Responsibilities

Transport the school age children safely to and from school from morning care and back to afternoon care.

Make sure that someone on the management team checks the bus within ten minutes of arrival after each return. They must walk the outer perimeter, check all of seats and look under, walk to the back of the bus and lock the doors.

Reporting Relationships

The bus driver reports to the Director. The bus driver may also take direction and instruction from the assistant director.

Qualifications

The bus driver must have a current Driver's License and a clean driving record.
