Tree House Academy of Arlington

Operating Services & Hours:

Tree House Academy operates year round

Monday-Friday 6:00am-7:00pm

We serve children ages 6 weeks-12 years

Philosophy and Goals:

Every child is uniquely blessed with the ability to learn and should be provided with developmentally appropriate opportunities conducive to learning guided by knowledgeable and loving hands. Children need to experience childhood. The individuality of each child should not be lost in an effort to teach. Learning should be a natural, rewarding and fun experience for children based upon their interests and developmental patterns. At Tree House Academy, we strive to provide the best in educational opportunities for the children in our care, while maintaining that delicate balance between learning and individuality. We also seek to instill in children basic core values such as respect for one another and pride in our country. Our goal is to prepare children for today and for the rest of their lives in a loving and educationally-sound environment.

ADA Statement:

- Tree House Academy is in compliance with Americans with Disabilities Act (ADA). This federal law, passed in 1990, requires that every business offering services to the public not discriminate against a person based on a disability.
- Acceptance of enrollment is not based on a child's or parent's disability unless needs cannot be met on "reasonable accommodations." The company makes every attempt to reasonably accommodate children and parents in a typical childcare setting.

Enrollment Paperwork: Due to being licensed by the State and our participation in several State and Federal Programs that help many of our families, we appreciate your help in keeping all of your child's paperwork up-to-date.

Equal Opportunity Provider:

Tree House Academy is an equal opportunity provider. We accept applicants for admission and enrollment without regard to race, religion, national origin, color, creed, physical or mental disabilities or any other protected status.

Curriculum:

Tree House Academy is now using Frog Street Press curriculum. The Pre-K curriculum is a comprehensive, research-based program that integrates instruction across developmental domains and early learning disciplines. The Toddler program is designed around the latest scientific brain research and is comprised of 52 weeks of easy-to-use activities specifically created for children ages 18-36 months. Each of the weekly activity choices are organized around five developmental domains and include adaptations to meet the needs of children.

The cornerstones of Frog Street Press' entire program are:

- An extensive integration of theme, disciplines, and domains
- Social and Emotional development includes Dr. Becky Bailey's Conscious Discipline ®
- Differentiated instruction
- Equity of English and Spanish materials and instruction
- Joyful approach to learning

Child Abuse and Neglect:

The State of Texas defines abuse as the mental, emotional, physical or sexual injury to a child, or the failure to prevent such injury to a child. Texas defines neglect as failure to provide a child with food, clothing, shelter and/or medical care; and/or leaving a child in a situation where the child is at risk of harm. The Abuse/Neglect hotline number is 1-800-252-5400. It is not only Tree House policy, but the law, to report suspected child abuse and/or neglect.

Our staff receives at least 1 training hour annually in recognizing and preventing child abuse and neglect. 5. Parents will be contacted to assist in resolving consistent disruptive behaviors. We reserve the right to discontinue child care services without notice when we feel that a child's behavior is detrimental to a class as a whole.
6. Biting is a common issue in early child development. The best way to deal with biting is consistency between providers and parents. Biting could occur for multiple reasons. Proper communication will

help determine why a child is biting. Tree House Academy will work with parents when biting becomes a problem. We will make every effort to solve the issue as soon as possible. If a child bites more than 3 times in one day he/she will need to be picked up and an action plan will be put in place to correct the behavior. We will follow the illness pick up procedures giving you ninety (90) minutes to pick up. If a child bites more than 9 times in one month the action plan will be forfeited and the child will need to be dis-enrolled. After a two week dismissal the child may be re-enrolled to retry if space is available.

7. Tree House Academy employs the practice of “time out” and will redirect and teach each child the best way to solve the problem or relieve the stressful situation. We will work closely with the parent/guardian to lend assistance and support in any persistent behavioral circumstances. No children under 2 years of age will be subject to this practice. Also, our policy limits the time to 1 minute per each year of the child’s age: i.e. 3 min/3 years old.
8. During Field Trips, School age children cannot be kept back at the center for discipline reasons from the parents.

the child's parent/guardian or a representative of a government agency.

3. Being a paying member does not authorize the release of records.
4. Private information will be shared only with necessary parties on a necessary basis.

Classroom Placement & Promotions

1. Children are in their own classrooms with children their own age for the majority of the day. Only early in the morning, naptime or late in the afternoon may children of different ages be mixed.
2. Whenever possible, we try to place children in a classroom that, as it promotes, will evolve into the same class that the child will be in when qualifying for Pre-K or Kindergarten. Some exceptions may be made due to a child's developmental status. For this reason, your child may turn three but remain with the younger age group until the next center-wide re-grouping.
3. The center keeps appropriate staff/child ratios at all times.

Clothing & Belongings:

1. Each child must have a bag with change of clothes clearly labeled with their name, filled with an extra change of weather appropriate clothing (including socks) in their cubby. Please check the bag regularly and replenish items as needed. If your child does not have these items, we may need to call you to bring them. This bag must be able to hang and accommodate all of their belongings.

3. FOR PARENTS OF INFANTS AND TODDLERS WHO ARE NOT POTTY TRAINED OR TRAINING: We require at least two extra sets of clothing and at least 6 diapers per full day of attendance. If Tree House Academy must provide diapers for you until you are able to provide

replenishments, a service fee of \$1 a diaper used will be applied to your account.

4. We request you send children dressed in clothes that are easily manageable.
5. For safety's sake we require that all children wear tennis shoes. No flip-flops, heels, mules or shoes with wheels are allowed.
6. Please do not send toys to school with your child. We cannot be held responsible for the loss of or damage to personal items.
7. Please make sure EVERYTHING your child brings from home is clearly labeled with your child's name. This includes, but is not limited to: clothing, blankets, cups, backpacks, etc

9. School age children attending field trips must wear the summer field trip shirt for the current year or purchase another in order to attend any field trip.

Role of the Parent in our Center:

1. Our programs are developed with parents and guardians as an integral component involving you in many aspects of our program. You are invited to participate in our parent teacher conferences designed to present you with our observations of your child's progress.
2. Parents are encouraged to discuss their child's activities with their teachers. Open communication between parents and teachers makes for easier transitions between home and center.
3. Feel free to contact your center director or assistant director at any time, in person, by phone or email, to resolve any issues. This may help eliminate confusion and misunderstandings.
4. Tree House Academy has an "open-door policy." This means parents are invited to visit the center at any time throughout the day, without making reservations or giving an advanced notice. This of course is as long as the parent interaction does not disrupt the stability of the classroom or the child's behavior.

5. It is the responsibility of the parent to make sure their child's file and contact information is up-to-date.
6. Please understand that it is against Tree House Academy policy for our staff to have any outside employment. This includes, but is not limited to: babysitting, house sitting, nanny services, mother's helper, or carpooling. If you should offer a position to a member of our staff and they resign to take your offer, you are required to pay Tree House Academy a Finder's Fee of \$1,500.00.
7. Parent participation is a vital part of the success of our programming. We have several opportunities per year for the parents to become involved. Please contact the Center Director for any interest that you have in regards to parent participation.
8. Parent Code of Conduct-- Please understand that young children are present in our building. Some adult language is not appropriate for young children. Tree House Academy prohibits swearing or cursing on our property. Threatening staff, children, or other parents will not be tolerated per Texas Department of Family and Protective Services. Tree House Academy has the right to terminate care in the event of disruptive behavior from a parent or guardian. Tree House Academy must follow particular rules on discipline and guidance as outlined in the Texas Minimum Standards for Child Care Centers. All adults, including parents, must follow these rules while on our property.
9. Proper parent communication is imperative when working with young children. It is difficult to communicate when cell phones are in use. *Effective January 1, 2013 we will be prohibiting the personal use of cell phones in our building.* We, at Tree House Academy, know that you trust us with your most valuable treasure, your child, and we strive to serve our families the absolute best in preschool education and childcare. We believe that excellent early childhood development is the foundation for a bright future for our children at Tree House Academy.
10. In order not to confuse school toys with a child's personal property, we ask that children not bring playthings from home. Tree House Academy staff cannot be responsible for lost or broken personal toys. Two exceptions to this are a stuffed animal for use during

naptime by full-day preschool children and for Show & Tell purposes. You will be notified by your child's teacher if and when the class will have Show & Tell.

11. Cyber identity and social networking is very exciting these days. However, please understand that employees of Tree House Academy are prohibited from participating in social networking with parents and children. This includes, but is not limited to Facebook and Twitter. Please do not put the employee's job at risk by interacting with them via any of these social media venues. To stay up to date on Tree House Academy news, please refer to our school sponsored Facebook and Twitter accounts or website.
12. Tree House Academy prefers NOT to get involved with custody disputes. Tree House Academy will follow a court order exactly as written. If your family has a court order on file, please provide us with the most recent copy. *PLEASE NOTE: PER STATE LAW, IN THE ABSENCE OF A COURT ORDER, BOTH PARENTS HAVE EQUAL RIGHTS. When applicable, State Law will supersede Tree House Academy policy.* With this being said, it is imperative that all enrollment forms are completed with both parents information. A copy of a child's birth certificate may be requested at the director's discretion. In the event that a custody dispute takes place on our property, the police will be called and asked to handle the dispute. Our staff will not be placed in the middle of such disputes. If a custody issue creates a risk for our facility or staff, Tree House Academy has the right to terminate care. Also, we will not be able to provide any statements and/or documentation for either party unless ordered by the court.
13. If an "authorized pick up" is asked to be removed from the account (other than mom or dad) that person will not be allowed to be resubmitted to the account and will be denied authority to pick up at any time.

Reminders of ways you can help us provide the best classroom environment:

1. Communicate any concerns regarding our program or your child immediately to staff.

2. Pick up and read the notices and information left for you in your child's folder and/or posted outside your child's classroom, at the reception desk, or on e-mail.
3. Pick up your child's papers/projects daily. Their work is very important to them and provides another means of communication between parent and child and helps the parent share in the child's day.
4. Please be aware of the scheduled meal times of breakfast and lunch, 8:00am and 11:00am, and make sure your child arrives in time to be included in those meals, if necessary. It is very difficult to try and feed a child later than the scheduled meal time, and causes a disruption in the classroom schedule, which affects all of the children in the classroom.
5. Periodically check on your child's supply of extra clothing. Please take home soiled clothing promptly.
6. Please remember not to drop off your child during naptime. This disrupts the other children resting and makes it very challenging for the staff.
7. Again, we do not allow smoking on the premises, either indoors or outdoors including Electronic and Vapor cigarettes.

Parent Notifications:

All parent information will be posted on the boards in our reception area. Any changes in the center, field trips, and/or other events will be posted. You may also access recent reports and a copy of Minimum Standards by making a request in the front office. If there are any changes to enrollment procedures, tuition policies, etc. parents will be notified through a letter sent home and a posting in the reception area. Also, our current tuition rates and monthly calendar and newsletter are available via our website.

Webcasting:

Tree House Academy has a program whereby web cam's are in use and your child(ren) are under constant streaming video surveillance that is accessible from the web in accordance with the terms and conditions associated with the

Peanut Butter & Jelly, LLC website. All photographs and/or recordings singularly or in conjunction with other photographs and/or recordings may be used for advertising, publicity, commercial or other business purposes. The video footage is the sole property of Tree House Academy by which you have no rights to any of the video footage or photographs for any reason at any time. The video footage will be used for internal training and management within the facility.

Referral Program:

The Referral Program allows parents to spread the good news about our program and enjoy free quality educational services at the same time! When a newly referred child remains in the program for four weeks, you receive one child's free week of tuition. We want you to be rewarded and want other children to benefit from the same quality educational programs that your children enjoy.

Termination of Enrollment by Tree House Academy:

Tree House Academy reserves the right to terminate enrollment as a result of, but not limited to, the following circumstances.

- Non-payment of tuition
- Abuse of children, staff or property
- Continued violations of Tree House Academy policies
- Disruptive or dangerous behavior by child or parent
- Our inability to meet your child's needs

A decision to terminate enrollment will be based on whether it is in the best interest of the child, the other children in the program, and/or the overall operation of the center. Every effort will be made to correct the problematic situation before a final decision is made.

Questions or Complaints:

Parents should feel comfortable discussing any issues with their child's teacher. If there is anything you feel needs the administrative team's attention, please feel free to stop by the front office at any time; there is usually no need to make an appointment. However, during high traffic times, especially normal drop off and pick up times, you will need to make arrangements due to the staff's primary responsibilities.
