Sophia-10/24

Cristian -10/31

### Dear Parents,

Fall has finally arrived! As we enter cooler weather and the holiday months we will be planning a lot of fun events for the children. As always, parents are welcomed to join in on the fun.

October is Breast Cancer Awareness Month! To show our support every Friday, Staff and students are encouraged to wear pink!

October 26th is our annual Fall Festival from 7:30 p.m.-9:30 p.m. THA staff and students are super excited. Each classroom will have games and activities set up for students to participate in with chances to win prizes and candy. Parents are more than welcome to volunteer and assist our teachers. We will be selling tickets for each game and activity. See the front desk for all the details.

Halloween is Wednesday October 31, 2018 and your child may come dressed in their Halloween Costume. We just ask that the costume be appropriate and comfortable for your child, and a change of clothes is recommended. We will be going Trick-or-Treating to each classroom in the building, therefore your child must bring in a candy bucket, labeled with their name on it. We will be having a Halloween party that day, we are asking all the parents to bring a treat to share with the class. There will be sign up sheets on every classroom door.

We are also asking for each child to bring 2 bags of individually wrapped candy (NO TRACES OF NUTS) by October 19th, 2018.

As the weather tends to be very unpredictable in Texas, make sure your child has a change of Fall/Winter clothes/jacket labeled with their name in their cubby.

Thank you for being a part of our THA Family, we are excited about the upcoming holiday months!
