Preschool News

It seems like this year has just flown by and here we are again preparing for summer. As the school year starts to wrap up we have a lot of end of the year activities and events we would like for your child and family to participate in. Please make sure you take a look at the "Dates to Remember" so you don't miss out on anything.

A Few Side Notes:

- **Sunscreen & Bug Spray:** If you would like us to put sunscreen and/or bug spray on your child you will need to provide us with a bottle of each with your child's name on it.
- **Parent-Teacher Conferences:** Make sure you are signing up at the front desk if you would like a conference with your child's teacher to discuss their developmental assessment. The times are first come first serve, so make sure you sign up fast.
- **Sports Bottles:** We are asking that you provide your child with a sports bottle so that they can carry water around with them at all times. With the summer fast approaching, we want to make sure our little ones are staying hydrated! We will be selling our summer camp water bottles for \$4 if you would like to purchase one from the front. All orders need to be placed by May 11th
- **Medicine:** Please make sure that you are signing any prescription medication in at the front desk. We must have the prescription label on the medicine bottle or box. As a reminder, we cannot administer any over the counter medication unless it is **prescribed** by a doctor and we must have proper documentation.

Summer Camp

For all of our After Schoolers... Please sign up for summer camp ASAP if you would like to attend this summer, as space is limited and we need to get your packages ordered by May 11th.

SPOTLIGHT ON STAFF

Ms. Bridget S., our After School teacher was selected by our family of employees as our April employee of the month.

Since Ms. Bridget has started with us, she quickly became a favorite teacher amongst our kiddos and staff. She is so patient, kind, and understanding. She always manages to keep a smile on her face regardless of what might be going on with her day. She is a fantastic teacher, no matter what classroom she is in and is always willing to lend a helping hand wherever help is needed. We are so lucky to have Ms. Bridget as part of our team and don't know what we would do without her. Please join us in congratulating Ms. Bridget on a fantastic job well done.
