July 2018

Preschool News

Welcome to the middle of summer and the wonderful Texas heat. With the temperature rising it is very important that we keep our children hydrated and protected while still allowing them to enjoy their outside time. Therefore, we will still be going out in the morning, and depending on the temperature in the afternoon we will cut the time in half or not at all. While outside, the children will be provided water every 10 minutes, and sunscreen will still be applied 30 minutes before outside time.

A Few Side Notes:

- **Technology Devices** – Children are NOT allowed to get on the internet using any technology device brought from home. If caught on the internet the device will be taken up and not allowed back at Tree House Academy.
- Make sure you are walking your child to their class when dropping them off, no matter the age of the child. We are required by the Texas DFPS to not allow any child to be unsupervised in our building at any time.
- Please take home all wet clothes and nap items on Friday's.
- All vacations must be requested before the vacation is taken in order to receive accrued vacation credit.

Paige Hedges ~ Director

Spotlight on Staff

I would like to recognize and praise our entire Tree House staff. Each one of them works hard every day to ensure your child is loved, nurtured, happy and learning. Our Family of employees are very dedicated to the children and families we serve. The love and joy they share is evident as you walk through the halls each day and see all the smiling and laughing children. I couldn't be more proud of our work family and thankful that I get to come to work every day with each of these wonderful people!

July Birthdays:

Brynlee A.
 Hannah A.
 Avery A.
 Natalie C.
 Zane D.
 Brayden D.
 Bennett D.
 Brendan D.
 Katia F.
 Kinley F.
 Anna J.
 Clayton K.
 Claire K.
 Jailynn M.
 Kiyah N.
 Trinnady O.
 Kaylen P.
 Jonathan S.
