Preschool News

School is finally back in full swing and we are so excited about what the 2018-2019 school year has in store. I would like to welcome our new and existing families as we settle back into our school year routine.

We have officially began our Frog Street Press curriculum in all classrooms from our Newborns to our Transitional Kinder class so please make sure you are checking your child's folder or cubby every day for the work your child has completed. We start our curriculum after breakfast which is at 8:30 a.m. Please have your child here by then so they will get the full benefit of our wonderful curriculum.

We hope to make this year a fun and rewarding time for all of our students, staff and families. With everyone's help and involvement I know it will be a success!

A Few Side Notes:

- Please do not bring any toys from home. Not only do they distract from the classroom activities but we also do not want anything to go missing.
- Breakfast is at 8:30 a.m. If you would like for your child to have breakfast with us, please make sure they are here by then.

SPOTLIGHT ON STAFF

Mr. William, our After School Teacher, was selected by our family of employees as the August employee of the month.

To put it simply, Mr. William is amazing!! He is an extremely hard worker and is willing to help out whenever and wherever he is needed. Mr. William is so patient and kind to every child he works with and you can see how much each child means to him by how they respond to him in return. He can be counted on to be here every day and is always asking if we need an extra hand. We are so lucky to have such a rock star on our staff!!
