November 2018

Preschool News

Thank you to all of our families, staff and friends for helping us put on a fabulous Fall Festival. We had a great turn out and a wonderful time. None of it would have been possible without the help and support from our Tree House family.

November promises to be just as exciting as October. We are having our Family Thanksgiving Lunch for families and friends to attend. The lunch will take place on Friday, November 16th at 11:30am. Although an RSVP is not required if you are able to let us know the amount of people who will be attending the better we can be prepared.

A Few Side Notes:

- With the weather turning colder it is very important that you are sending your child with a jacket everyday so that he/she may enjoy their outside time. It is also important that you are sending weather appropriate winter clothing as extra clothes in your child's bag. Remember to label all extra clothes and jackets that you send to school.
- *Illness Policy:* We want to keep all of our children and staff healthy this upcoming winter, so if your child is running a fever of 101° or above and/or is exhibiting any signs of illness, please remember to keep your child home until they are fever free for 24 hours without medication.
- If you wish to use available vacation credit for time off during the holidays please make sure to request it in advance or we will not be able to give you the credit.

SPOTLIGHT ON STAFF

Ms. Paige, our Toddler A1 Teacher was selected by our family of employees as the October employee of the month.

Ms. Paige is an outstanding employee with a heart of gold. She is an incredible teacher and wonderful person. Ms. Paige is always willing to go above and beyond to make sure her class is always taken care of. She absolutely loves the kids she works with and does a phenomenal job no matter which classroom she is in. WE are lucky to have Ms. Paige on our Tree House Team and as a part of our Family!

Paige Hedges ~ Director
