Preschool News

Christmas is almost here and we couldn't be more excited around Tree House Academy with all of the decorations and fun activities the holiday season brings. Please make sure you check out our Dates to Remember so your child is able to participate in everything this month has to offer.

A Few Side Notes:

- **Holiday Programs:** Our Pre-K 1 through our Kinder class has been working very hard for over a month now to prepare and perform a fantastic Holiday Program for their families and friends. It is very important that we have as much involvement as we can so please let your teacher know if you will not be able to attend.
- **Book Exchange:** For our Book Exchange please bring a wrapped book in for your child to exchange with a friend in the class. Depending on your child it is sometimes better not to let your child see the book they brought to exchange so they are not upset about parting with it. We also ask that your book be gender neutral if at all possible.
- **Labeling:** Please make sure that your child's jacket and all personal items brought from home have your child's first name and last initial on it.
- **Updating Files:** In order to make sure we have current information on your child we will be updating your child's file over the next few months. The information we are updating is a requirement from the TXDFPS and is very important that you get it back to us in a timely manner. Therefore, we will need to have any information requested back to us within two weeks.
- **Vacation Credit:** If you wish to use available vacation credit for time off during the holidays please make sure to request it in advance or we will not be able to give you the credit.
