### Viruses and Illnesses

We have had quite a few viruses and illnesses going around the center lately, we do our best in keeping the rooms sanitized and cleaned on a daily basis. We would like to ask you to please help us in keeping these viruses from spreading and keep your child home on days they do not feel well. If they have a fever, have been vomiting, or have diarrhea they need to stay home until they are symptom free for 24 hours without any medication. If they have a rash they cannot return unless they have a doctor's note stating they are not contagious.

### Reminders:

We will be CLOSED on January 1<sup>st</sup>.

No School for Union on January 14th.

No School for School Age on January 21<sup>st</sup>.

Beautiful feet ballet is here every Monday at 3:30pm.

Don't forget to let us know if your child is out due to an illness so we can post it in their classroom!

Please remember to dress your child weather appropriate. The children can go outside to play as long as the temperature is 32 degrees and above. They do not stay out very long on cold days but long enough to run some energy off.

We hope all of our families had a wonderful holiday season and are so blessed to be ringing in the new year with all of you! We can't wait to see what 2019 has in store for all of us as a family!!
