Summer Camp

Summer is fast approaching!

During the middle of March, we will be providing information about our Summer Camp Program! We can't wait to tell you about all of the fun plans we have for summer already!

We will also be asking about what schools everyone will be attending in the fall so we can start looking at the schools we will be transporting to. Please remember we will only transport to a school if there are more than 2 children attending that school.

Scholastic Book Orders

Don't forget to place your book orders for this month! We appreciate each and every order! With every purchase it helps us as a center to be able to get new books for each classroom. So thank you to everyone who has helped us!

School Age

Spring Break Sign-ups are in the front office! Payments for Spring Break will need to be paid by March 15th. Please remember if you sign up for Spring Break and your child/children do not attend you will still be charged for the spot that we held for your child.
